Collaboration with our clients is a key component as we construct environmentally sensitive buildings which provide substantial cost savings.

Why Choose JTS

- Custom Built
- Piggyback/Lease - Leaseback
- Single Classrooms to full Campuses
- 50 Yr. Lifecycle
- Innovated Designs
- Slab-on-Grade or Stemwall Foundations

At JTS Modular, innovated building design and construction is our specialty. Standards in modular manufacturing have changed in the past decade. Today there is a realization that permanent modular buildings have limitless dosing capabilities with precision engineering and indistinguishable characteristics from site-build construction.
